

NORTH KOREA NEWS

March 31, 2021

Global Situational Awareness

Strategic weapons testing highlighted recent North Korean news, with two ballistic missiles test-fired into the Sea of Japan in defiance of UN Security Council resolutions. Other important military activity included cruise missile testing in the Yellow Sea, submarine shipyard developments, and nuclear program activity.

Babel Channels provides insights into important military activity and other news coverage for countries throughout Asia including North Korea, enhancing awareness and insight into important events such as ballistic and cruise missile testing, submarine and shipbuilding activity, UN and regional responses, nuclear program developments, and border issues. Some of this noteworthy material that Babel Channels recently illuminated follows:
